MIGUEL MARTINS

Student - Informatics Engineering

EDUCATION

Master's - Informatics Engineering

2022 - 2024

Universidade do Minho - Campus de Gualtar,
Braga, Portugal

Areas : Language Engineering & Software Development, Maintenance and Validation

Bachelor - Informatics Engineering

2019 - 2022

Universidade do Minho - Campus de Gualtar,
Braga, Portugal

Sciences and Technologies

2016 - 2019

Escola Secundária de Tomaz Pelayo - Santo
Tirso, Porto, Portugal

WORK EXPERIENCE

Summer Intern

Jul-Sep 2022

Checkmarx, Braga

Learnt a lot about security vulnerabilities in Software, and what an AppSec Engineer working in Checkmarx does to guarantee those vulnerabilities are properly detected.

Research Assistant

Mar-Jun 2023

INESC TEC, Porto

Part of a team which worked on the SADCOPQ project from IN-ESCTEC. Worked essentially with Python and SQL, focusing on predictive models and database management for the proper accommodation of data.

PROJECTS

(All of the following and more are public in my Github)

On the Energy Efficiency of Sorting Algorithms.

2023

Tool: Various

A study about the efficiency in time, memory, etc of different programming languages and sorting algorithms.

SentimentAnalysis

2023

Tool: Python & Streamlit

A website to analyse the sentiments manifested in a tweet.

EXTRACURRICULAR

- Ran my first Half Marathon in April 2022. Would love to run a Marathon sometime during 2023 or 2024.
- Took part in youth group activities in my homeland.
- Was part of the staff in 2019's ENEI (Encontro Nacional de Estudantes de Informática).
